Re: ABHES Achieves Continued Recognition

By letter dated September 22, 2016, the Chief of Staff, United States Department of Education, Emma Vadehra, concurred with both the staff and the recommendation of the National Committee on Institutional Quality and Integrity (NACIQI). Thus, the recognition of the Accrediting Bureau of Health Education Schools (ABHES) is continued for a period of five years.

ABHES appreciates all of the support from its members and other interested parties as it worked toward this latest achievement.
