Subject: New Staff Announcement

It is with great pleasure that I welcome Thomas Cornacchia to ABHES! Tom serves in a newly-created position, Director of Curriculum and Policy Development. His primary responsibilities include overseeing programmatic accreditation and program advisory committees, consideration of new and revised program applications, and assisting in creation of Commission policy agendas. He also serves as staff liaison for ABHES to the Institute for Credentialing Excellence (ICE) and secondary liaison to ABHES' Distance Education Committee.

For the past six years Tom was employed by the Accrediting Commission for Career Schools and Colleges (ACCSC), most recently as Director of Accreditation. Prior to that time he served as Director of Policy and Program Development for the Accrediting Council for Independent Colleges and Schools (ACICS), where he had been employed since 1993. Tom holds a Master's of Arts degree in Education in Student Development from The American University, Washington, DC, and a Bachelor of Science degree in Management from St. Francis College, Pennsylvania.

We look forward to working with Tom in this new position with ABHES!
