ABHES BULLETIN

August 19, 2013

It is with extreme sadness that we must share with the ABHES community that Christopher (Chris) Eaton, Associate Executive Director, passed away on Sunday, August 18, 2013. As many know, Chris was quite active in local Triathlon events and physical fitness. August 18 was no exception as Chris participated in the Luray (Virginia) Triathlon competition. Chris experienced a heart attack during the swimming event.

Chris commenced his work with ABHES in 1995 and served with immense dedication, enthusiasm, and professionalism. His presence, smile, and wonderful sense of humor quickly befriended you. His ABHES family and all those with whom he worked and laughed will remember his impact and friendship. Chris was 51 years of age and leaves behind many family, friends, and colleagues who loved him. He will be sorely missed. We extend our deepest sympathy to Chris' mom and his siblings and friends.

Additional details will follow once arrangements are determined. In addition, Chris' ABHES family intends to host its own gathering to celebrate Chris' wonderful presence in our lives and in our hearts.

For business-related inquiries, please contact the ABHES office at 703.917.9503. We appreciate your patience during this difficult time.

With a very heavy heart,

Carol A. Moneymaker and the ABHES Commission and Staff.
