SUBJECT: Conference Opening Video – Photos Requested

We know that students at ABHES-accredited institutions and programs shine! As we have done in the past, ABHES invites you to submit photos of your institution and its students to present at the 9th Annual Conference on Allied Health Education being held Wednesday through Friday, February 22-24, 2012, at Encore Hotel, Las Vegas, Nevada.

Photos requested include those of your institution, students in the classroom or laboratory showing the education and skills being practiced; graduation ceremonies, and even graduates at work. In an effort to acknowledge the continuing accomplishments of ABHES-accredited institutions and programs, we hope that you will participate.

A compilation of the photos will be presented as the opening video for the conference on February 22-24, 2012, in Las Vegas. The video will highlight how our institutions and programs play a pivotal role in local communities by illustrating the types of highly qualified students, ABHES-accredited institutions and programs are consistently able to attract.

Photos must be submitted electronically no later than **January 15, 2012**, to info@abhes.org, as follows:

1. No more than two photos per campus.
2. Stand alone, not within another document (e.g., Word).
3. In high resolution (e.g., jpeg, png).
4. Identified by school name, city, and state.
5. Identified with any special occasion (e.g., award ceremony, graduation), as applicable.

Space at the conference sessions is limited and hotel sleeping rooms are selling out quickly. Visit www.abhes.org to review the Preliminary Conference Program. I look forward to seeing you at the conference!
