ABHES BULLETIN

To: ABHES-Accredited Institutions and Programs and Interested Parties

From: Carol Moneymaker, Executive Director

Date: January 3, 2012

Subject: Terry Humphrey

It is with regret that Dr. Linda Swisher, ABHES Chair, accepted the resignation of Terry Humphrey from the ABHES Commission effective immediately. Due to a career change, Terry no longer meets the definition of a practitioner, the commissioner seat she has held for nearly six years.

On behalf of the ABHES commissioners and staff, I wish to thank Terry for her years of dedicated and professional service to ABHES, especially to its accredited institutions and programs and the students served. Terry's work for ABHES defines, simply, the true purpose of accreditation and she has taught us all. We wish her the best of luck in her new career, and I am hopeful that we will continue to work with Terry in other capacities in the future.

In accordance with ABHES Bylaws regarding commissioner vacancies, Dr. Swisher will soon appoint an individual to serve in the commissioner position Appointed Seat 1 – Practitioner in a Specialty Area, for the remainder of Terry's term, which is to expire June 30, 2013.
